THREE MODULES ONE POWERFUL MISSION

Our online training is structured as a progressive journey – from foundational knowledge to real-world advocacy. Each module builds on the last, ensuring you finish feeling prepared & inspired.

Online Certificate Course: "Gift of Life"

Gain a thorough understanding of organ donation — from the basic medical concepts and the donation process, to the legal, ethical & religious dimensions that shape public perception. This self-paced course lays the knowledge foundation every ambassador needs.

4 Hours · Self-Paced Online

Interactive Live Sessions with Experts

Engage in live Zoom sessions with medical specialists, organ recipients & donor family members. Develop the communication skills to connect with audiences on a deeply human level — learning how to speak with empathy & conviction.

2-3 Hours · Live on Zoom

Field Action & Real-World Advocacy

Take your learning into the real world. Conduct awareness campaigns, create social media content, submit field reports. Upon completing at least one activity, you will receive your official Organ Donation Ambassador Certificate.
